RANDOM ASHLAR PATTERN

3 Piece Module

CleftStone RAS-010

1. Photocopy this pattern request form.

2. Provide your contact information.

Company: _____ Contact: _____
 Tel: _____ Fax: _____
 PO #: _____ CSW #: _____

3. Provide an approximate square footage required to satisfy the job and select a stone.

Add 10% or more to the total area to account for damaged tiles, color and texture selection, special cutting requirements and extra material for future repairs. We may adjust your quantities to reflect whole patterns. Minimum order is one pattern.

SqFt: _____ Stone: _____

4. Choose either a straight-cut or tumbled finish.

We can tumble up to a 16" modules, and can provide hand-finished and chipped edges for larger sizes.

Straight Cut Tumbled (16" and smaller) Chipped

5. Identify the desired module size.

Please note, that for an additional cost, mesh assembly is available for smaller modules.

24XALTA 12XALTA 06XALTA
 16XALTA 08XALTA 04XALTA (Meshed yes no)

6. Select the desired grout width.

Rustic joints are recommended for African, Chinese & Indian stone. Refined joints are recommended for Brazilian and Turkish Stones. Extra tight joints, typically 1/8" smaller, are available for most stones.

Standard Rustic Standard Refined Extra Tight

7. Provide any additional notes or information

8. Fax this pattern request form to The CleftStone Works at 610.683.9349.

When we receive your request, CleftStone will fax a confirmation form to be carefully reviewed by the client and/or installer. Production will begin after we have received your signed confirmation.
