ELLORA

*UNESCO World Heritage Site: Ellora Caves, Maharashtra State, India
For more information about this destination please visit http://whc.unesco.org/en/list/243

**STANDARD**

3 Piece Module
CleftStone STR-010

1. Photocopy this pattern request form.
2. Provide your contact information.
   
   Company: ____________________________
   Tel: ____________________________
   PO #: ____________________________
   Contact: ____________________________
   Fax: ____________________________
   CSW #: ____________________________

3. Provide an approximate square footage required to satisfy the job and select a stone.
   Add 10% or more to the total area to account for damaged tiles, color and texture selection, special cutting requirements and extra material for future repairs. We may adjust your quantities to reflect whole patterns. Minimum order is one pattern.
   
   SqFt: ____________________________
   Stone: ____________________________

4. Choose either a straight-cut or tumbled finish.
   Strip patterns are not available with a tumbled or chipped finish. 
   
   □ Straight Cut  □ Tumbled (Not Available)  □ Chipped (Not Available)

5. Identify the desired module size.
   Please note, that for an additional cost, mesh assembly is available for smaller modules.
   
   □ 24XELLORA  □ 12XELLORA  □ 06XELLORA (Meshed □ yes □ no)

6. Select the desired grout width.
   Rustic joints are recommended for African, Chinese & Indian stone. Refined joints are recommended for Brazilian and Turkish Stones. Extra tight joints, typically 1/8” smaller, are available for most stones.
   
   □ Standard Rustic  □ Standard Refined  □ Extra Tight

7. Provide any additional notes or information

8. Fax this pattern request form to The CleftStone Works at 610.683.9349.
   When we receive your request, CleftStone will fax a confirmation form to be carefully reviewed by the client and/or installer. Production will begin after we have received your signed confirmation.
